FOR PRESIDENT
CHARLES E. HUGHES
1916

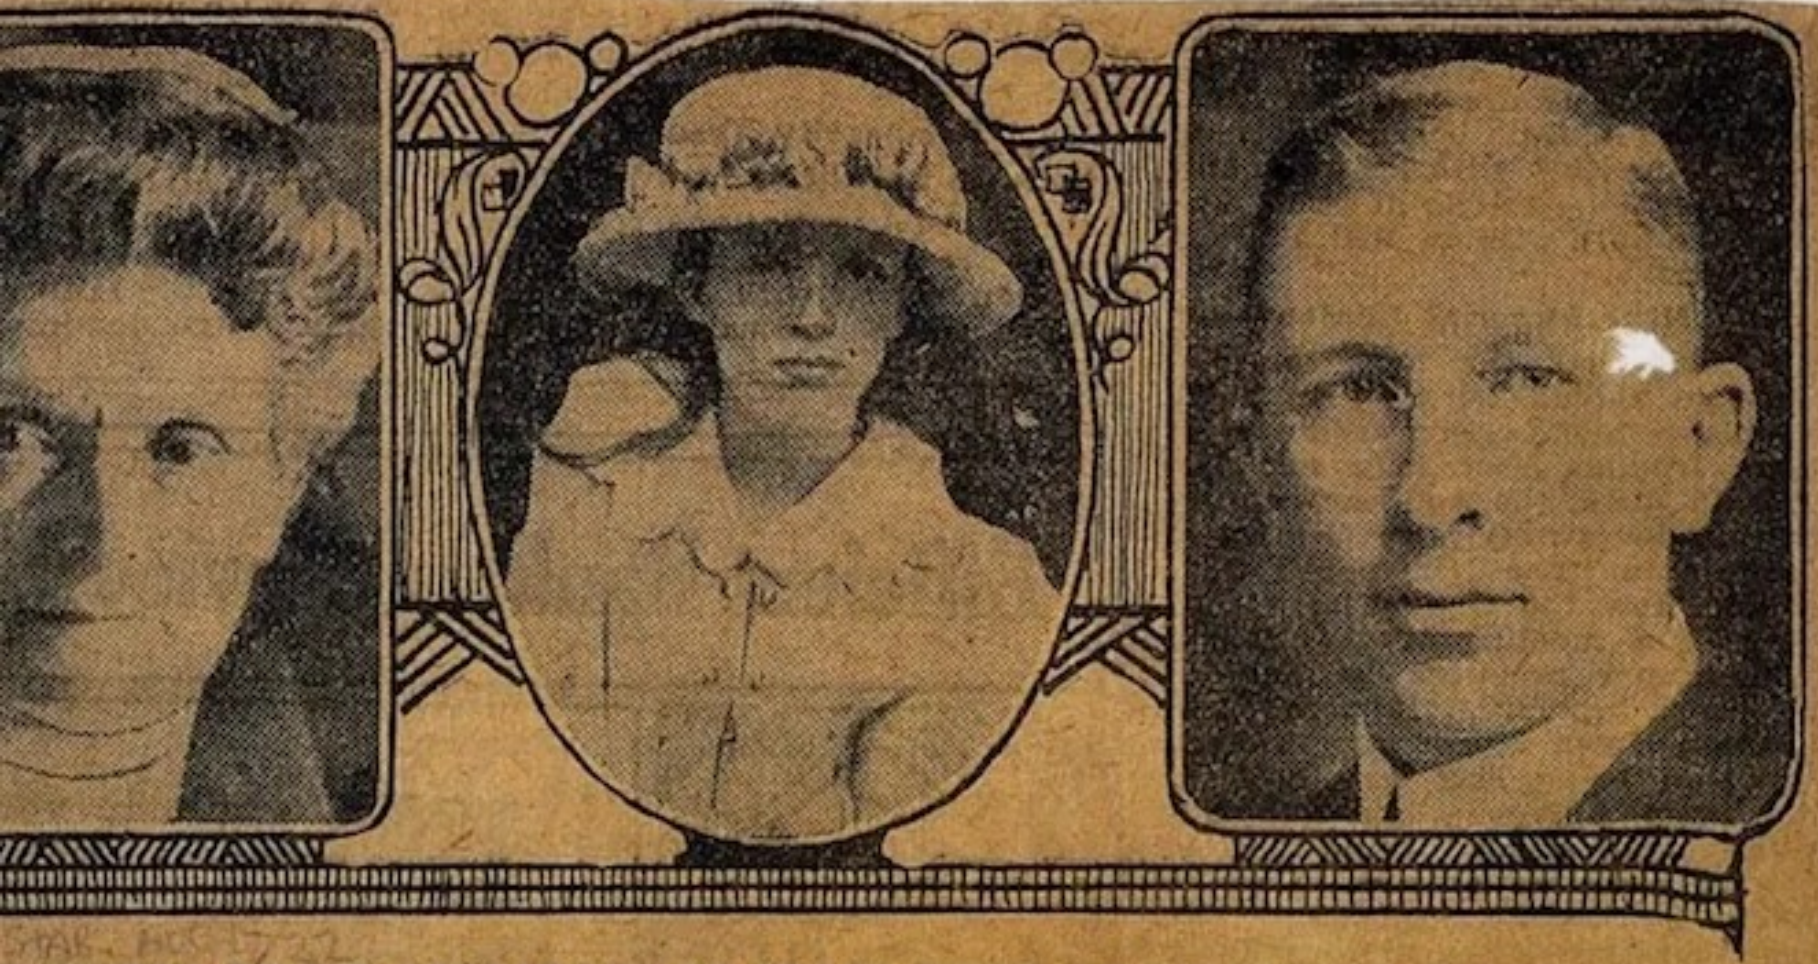

To Mr. Crane
Very Sincerely.

AUGHTER OF U.S. SECRETARY OF STATE TRIES NEW TORONTO DISCOVERY.

ft is Mrs. Charles Evans Hughes, who accompanied her daughter to Toronto this week to take a for diabetes, which has been worked out at the University of Toronto. In the centre is her fif- aughter, who is here to take the treatm ent. On the right is Dr. F. G. Banting, 160 Bloor street he originator of the insulin treatment for diabetes, and who for over a year has been doing re- ong with Mr. C. H. Best, of Toronto. The new treatment has already prolonged the lives of many the disease.

Daily Star, Aug. 17/22
